A bear came into the cabin. Someone told everyone to remain calm. The police were called. The people in the cabin shouted to scare the bear. The bear did not seem to hear. He started to sniff around the room. A woman sitting by the bear got up and went to the other side of the room. The bear went into the kitchen and sniffed the dinner set out on the table. The police came just as the bear finished eating the last piece of food on the table.
