**Day 5 - Test 15**

\_\_\_ (pg. 211 in the **Tests and Worksheets** booklet) Note: You do not have to do the Facts Practice Test on the day you take this test. Remember to use *Recording Form E Test Solutions* for this test. **Show all work, not just an answer.** If there isn't enough room to work the problem, you may also use notebook paper but make sure to put the circled answer on the Form. This test is closed book and closed notes. A parent should monitor the test taking; make sure the student's test is neat and shows all work. Please place the finished test in a sealed envelope with the parent's signature to be turned in to the

tutor for grading. Don't forget to label all unit measurements in your answer.
