___ (pg. 195 in the ***Tests and Worksheets*** booklet) **Note: You do not have to do the Facts Practice Test on the day you take this test.** Remember to use *Recording Form E-Test Solutions* for this test. If there isn't enough room to work the problem, you may also use notebook paper but make sure to put the circled answer on the Form. **This test is closed book and closed notes. A parent should monitor the test taking;** make sure the student's test is neat and shows all work. Please place the finished test in a sealed envelope with the parent's signature to be turned in to the tutor for grading

TEST REMINDERS: 1) *If there is a problem that has you draw something using a compass or ruler, please do it on another piece of paper, just write a note in the square on the test and clearly label the problem on the attached sheet.* 2) *If there is a problem that requires you to*

draw a coordinate plane (with an X and Y axis) you must do that on a piece of graph paper and attach it to your test. You must also use a ruler to draw it.
